Comprehensive Dentistry*

Hello!

We want to extend to you our personal greetings and a very warm welcome to our dental practice. We are committed to doing everything possible to provide you with high quality, state-of-the-art dental care and also to make your visits to our office as pleasant and comfortable as possible. Our goal is to help you feel and look your best through excellent dental care.

Our practice includes a wide range of dental procedures, including comprehensive dentistry, implant restorations, crowns, orthodontics, as well as other cosmetic and restorative procedures. We are a family practice that is based on word-of-mouth referrals. Some of our best patients are referred by some of our best patients.

An appointment card is attached as a reminder of the time set aside for your visit. We will be happy to help you understand your dental insurance co-pays and deductibles, both of which may be due at your initial visit. If you are unable to keep your scheduled appointment, please notify us at least 24 hours in advance. We will be glad to reschedule your appointment at a more convenient time.

We look forward to meeting you at your first appointment. Thank you for choosing our practice to serve your dental needs.

*Sincerely,
Dr. W. Michael Tuman
